## **DETAILED ACTION**

### ***Election/Restrictions***

Claims 11, 13, 21-23, 42, 44, and 47 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 10/02/09.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-10, 12, 14-20, 24-41, 43, 45-46, and 48-54 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

It is unclear what is meant by the “shadowing structure”. The lack of an art rejection with this Office action is not an indication of allowable subject matter. The disclosure/claimed language is such that it is impractical to conduct a reasonable search of the prior art by the Examiner.
